Thinking of only Lord Tama, (imaginary picture)

Let's chat about my favorite cartoon, though I have not completed the drawings and writings! every week, I wait for the sacred Aquarian! I like every character, but the most attractive is of course, Lord Tama! He and Adolio made a pact 12,000 years ago! such a sad parting. For more information, please read the manga!! It's very interesting ♥! and just about to enter the climax!

I don't know the outcome of the ending for Lord Tama I really worry about it

I really wish to draw the CP beauty of Lord Tama shock! so embarrassing

This is it. Thanks, everyone.

☆ Laaァァ laaァァ laaァァ! It should be out? (Let me out! Sorry...)

Thanks to O and H For their

☆ help--!! They have been helping me for the past 3 years. Wahh--- A great help! Thank you from the bottom of my heart! And also thanks to BRIAN.

Let's talk about this book.

☆ The beginning of drawing is the interesting part. Time passed by quickly, but I managed to draw it to completion.
